

Instructions

Thank you for your interest in applying for a summer job. Mayor Rahm Emanuel's One Summer Chicago (OSC) program offers a diverse and exciting range of work opportunities from exploring careers in nutrition and tree care to working for an area business. There are numerous job opportunities that will hopefully meet your personal and career interests.

To participate in the majority of programs listed on this application, you must live in the City of Chicago and be between the ages of 16 and 24 prior to the start of your job.

If you're not 16, there are also opportunities for you. You may be eligible for the following programs:

- After School Matters
An apprenticeship programs for 14 & 15 year olds (work permit **not** required)
- Chicago Housing Authority
An opportunity for work experience for 13, 14 & 15 year olds (work permit required)
- City of Chicago Department of Family and Support Services
An opportunity for work experience for 14 & 15 year olds (work permit **not** required)

If you are **under 18** and are selected to participate, you will be asked to have a consent form signed by your parent or guardian, giving you permission to participate. If you are **over 18**, you will be asked to sign a consent form prior to the start of the program.

Remember that there are more youth applying to OSC than there are openings. We cannot guarantee you will receive an interview or job, but we strongly encourage you to apply for other opportunities that you may know about in your community, or that a teacher, friend or family member has shared with you.

All One Summer Chicago applicants will have the opportunity to participate in new learning experiences on your phone or computer, as well as in your community, that will help you develop skills to prepare for employment and unlock access to new opportunities. If you earned digital badges through LRNG during OSC last year or through Swift Coding Clubs, you will be able to share these badges on your application. By sharing your badges, you may be eligible for additional opportunities.

Start early and open a bank account. You will then be ready to enroll in direct deposit - if you are hired, to receive your pay more quickly, securely and for free! You can request for more information about this later in your application.

If you have any questions about the application process or program, feel free to email OneSummerChicago@cityofchicago.org or call our hotline at 312.743.0208.

We hope that you have a great summer!
